Re: Thank You for Your Introduction and Consideration

Dear Alexandra, Zack, and Jade,

Alexandra, thank you for personally responding and introducing us to Zack and Jade, who oversee incoming music pitches. We appreciate your generosity in connecting Perfect Pitch with the appropriate members of your team.

I also want to acknowledge your remarkable career in film and television music. Your leadership at DreamWorks Animation, following music roles with MGM, Amblin, Disney and Freeform, reflects an impressive commitment to creative storytelling. Your work across productions such as *Gabby's Dollhouse*, *Jurassic World: Camp Cretaceous* and *Kung Fu Panda: The Dragon Knight* demonstrates how distinctive music can help define a story's identity.

Congratulations as well on your Emmy recognition and your announced 2027 Global Media Executive of the Year honor. Your philosophy that great music can connect with audiences of all ages especially resonates with our approach to finding authentic sounds across genres.

Zack and Jade, it is a pleasure to be introduced. We recognize the care involved in evaluating music submissions and would welcome the opportunity to be a resource when our recordings or score selections fit a creative brief.

The following page introduces our DISCO catalog, with the artist EPK pages attached for your convenience. We would be glad to follow any preferred submission guidelines. Thank you again for your time and consideration.

Warm regards,

Re: Perfect Pitch — Film Scores, Soundtracks & Sync Licensing Opportunities

Dear DreamWorks Music Team,

Perfect Pitch offers a curated multi-genre music catalog through DISCO, with options for animation, film, television, streaming, trailers and advertising. Our aim is to provide strong music choices that serve story, character and emotion.

Our collections include cinematic and instrumental score music, jazz, hip-hop, R&B, country/Americana, Latin urban and reggaeton. We can assemble focused playlists around tone, scene, genre, instrumentation or a specific creative brief.

Featured artist EPKs attached: Braedn Lance, whose energetic *Big Texas* celebrates Texas pride, and Manuel Love, whose Latin urban and reggaeton material offers contemporary rhythmic textures. The two EPKs follow this letter; they represent only part of our larger catalog.
